The screenshot shows the phpMyAdmin interface with the 'sms\_db' database selected and expanded. The 'sales\_list' table is highlighted. The interface includes a top navigation bar with the phpMyAdmin logo and icons for home, server status, help, documentation, settings, and a search icon. Below the navigation bar are tabs for 'Recent' and 'Favorites'. The main content area displays a tree view of the database structure, with 'sms\_db' expanded to show its tables.
